## **General Information & Rules and Regulations**

### **Aisle Carpet & Booth Draping**

Aisle carpet is green.

If purchasing a basic furniture package with us, your booth carpet is grey and table linens are white.

The standard drapery color is black. Please contact GES should you wish to rent additional colors.

All booths must have an appropriate floor covering (\*not provided).

### **Arrangement of Exhibit**

Fire regulations prohibit the construction of double-decker booths, or roofing of booths without four feet of opening for every four feet coverage. **Aisle space must not be used for exhibit purposes, or for solicitation of business.** Exhibit height is restricted to 8'. No part of an exhibit is permitted to extend more than 8' above the floor.

Exceptions may be permitted with the written approval of Show Management in advance of the show. Exhibits must not unduly obstruct visibility of adjacent booths, i.e.: 50% visibility allowance for booths on either side. **Exception:** Any exhibit space adjoining an end exhibit space may have a complete back wall of the end exhibit space as a sidewall.

Exhibitors planning to use their own prefabricated display should advise Show Management. They reserve the right to refuse entry or to have removed at the exhibitor's expense any display which is not in accordance with these rules and regulations. If any doubt exists, or where a special case exists, the exhibitor must provide details and have such exhibit approved by Show Management.

### **Damage to Property**

Use of nails, screws or any material that can mark floors, walls, columns or ceilings is prohibited. Exhibitors wishing to lay any floor covering may not adhere them to the building floor. In such cases, it is suggested that building papers or other suitable protection be first laid down or double-faced tape may be used as an adhesive. Exhibitor is liable for any damage caused to building floors, walls, columns or ceilings or to standard booth equipment. Any damage caused due to exhibitor negligence will be billed to the exhibitor. All flooring must be removed at the conclusion of the show

including tape and decals. Any material left will be subject to a labour fee for removal as determined by the International Centre.

### **Default in Occupancy**

Any exhibitor failing to occupy space contracted for is not relieved of the obligation to pay the full rental of such space. If not occupied, and paid for in full, by the time set for completion of installation, such space may be possessed by Show Management and reallocated or assigned for such purposes as they may see fit.

### **Re-Assignment of Space**

Show Management has the right to change, if necessary, the assignment of space to be occupied by the exhibitor in order to create an effective exposition.

### **Payment of Account**
